

Farnborough International Airshow  
**Exhibition Services**

**FIA26 OFFICIAL  
SUPPLIER**

## Need exhibition services? Think Ouno

Ouno Creative are the Farnborough International Airshow's Official Creative Agency.

We are offering all exhibitors a full range of creative services to enhance their presence at the 2026 show.

We're sector specialists, and we know how to make sure that your stand, content and messaging work together for maximum impact on the day.

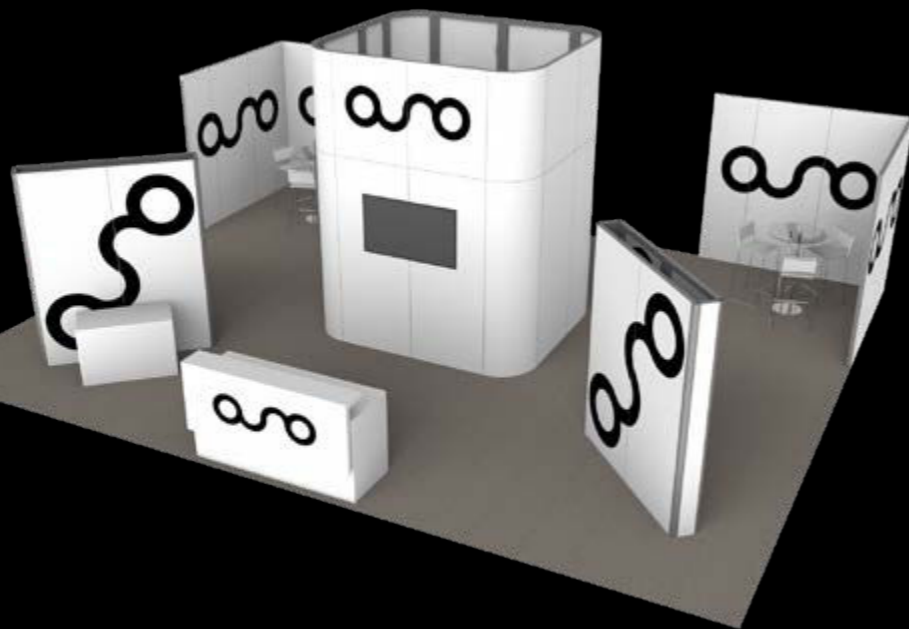

Being located in Farnborough and close to the airshow venue means we can offer our customers unrivalled levels of support – before, during and after the event.

- |   |   |
|---|---|
| <ul style="list-style-type: none"> <li>• Stand design and 3D visualisation</li> <li>• On-site construction and dismantle</li> <li>• Electrics and lighting</li> <li>• Flooring and furniture</li> <li>• Audio visual</li> <li>• Graphic print and install</li> <li>• End-to-end project management</li> </ul> | <p><b>Other services:</b></p> <ul style="list-style-type: none"> <li>• Custom modular stand design to meet your unique requirements</li> <li>• Design of stand graphics</li> <li>• Digital story-telling via animations, video, infographics, interactives, video walls and more</li> </ul> |
|---|---|

## Need design but no build?

Think graphics-  
only packages

Ouno Creative are delighted to offer Farnborough 2026 exhibitors a range of exclusive graphic design packages for their exhibition stand graphic panels. We are an FIA Official contractor, a full service branding agency and an experienced local supplier.

**Want to be truly unique?**  
Think bespoke stand design

# Need impact? Think digital content

Ouno Creative are multi-award winning experts in touch table and interactive experience design.

Touch tables, interactive screens and other digital solutions deliver great levels of engagement and are the ideal platform for digital storytelling.

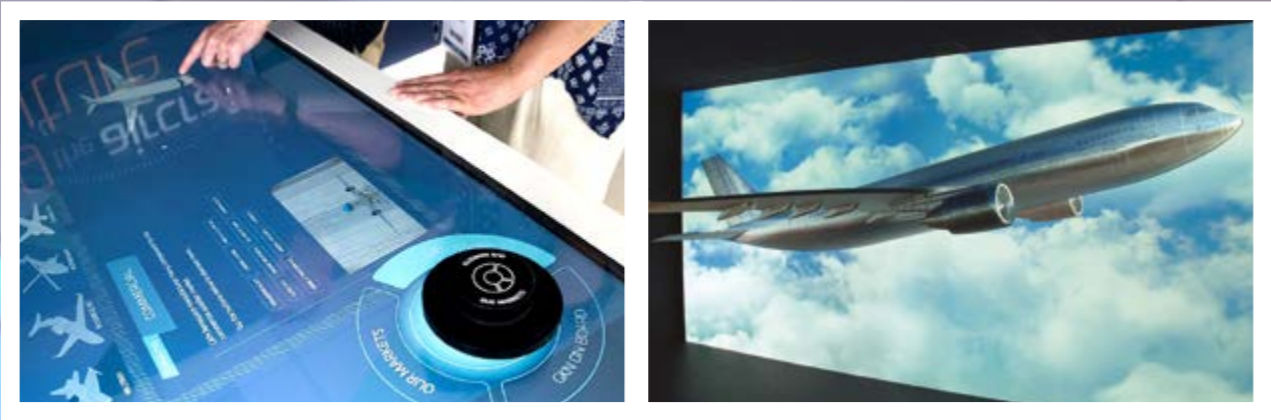

We design and build cutting-edge touch tables, touch screens, holographic displays, kiosks, totems, mobiles and websites.

We create content using a variety of industry leading software including Cinema 4D, Unity and Unreal Engine. This allows us to meet the demand for ever more immersive and responsive digital experiences and enables us to delight our audiences, bringing motion, feedback and interactivity into everything we create.

## Services include:

- Touch tables and interactives
- Explainer videos
- Marketing and technical videos
- Video walls
- 2D and 3D animation
- AR and VR
- App development for desktop, tablets and mobile
- Tangible Object Recognition
- 3D projection graphics
- Holographic displays
- Projection graphics
- Experiential and immersive

## Need sales aids?

Think print and merchandising

Showtime is a great time to update sales materials so that your stand graphics, digital content and brochures are all up-to-date and on-brand.

Don't underestimate the power of a great brochure, and the confidence boost that the right sales aids can give your staff. Is your pricing information out-of-date? Has your branding moved on? Is the old merchandise still a match to your new website?

Your print and merchandising will often outlast a fleeting visit to your stand and leave a lasting impression, so make sure it's right.

What do we offer?

- Brochures and flyers
- Advertising
- Paper engineering
- Give-aways and branded merchandise
- Large scale print for external and billboards
- Short run digital printing
- **FAST TURNAROUND!**  
Need marketing collateral in a hurry? We can help.

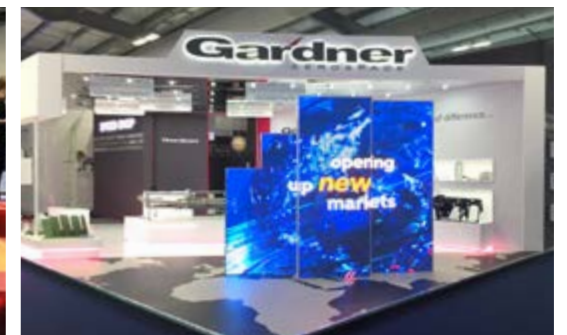

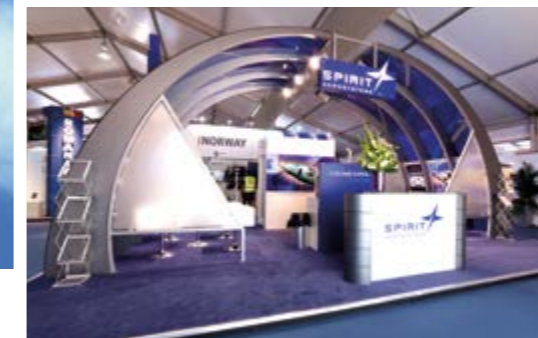

## Need exposure? Think photography and filming services

We can film, photograph and edit onsite for you.

Many exhibitors require onsite filming and photography. It could be for a press event, a VIP visit, a conference session, a product launch or an aerial display. Over the years we've done all of these and more. We always have professional and experienced camera crews and photographers working throughout show week.

As well as capturing all of the action in the exhibition halls we can provide specialist camera crews armed with powerful ground-to-air long lenses to film the flying displays.

# Need a complete support package?

## Think full service

Ouno Creative is delighted to offer end-to-end exhibition solutions, whatever your size, whatever your needs.

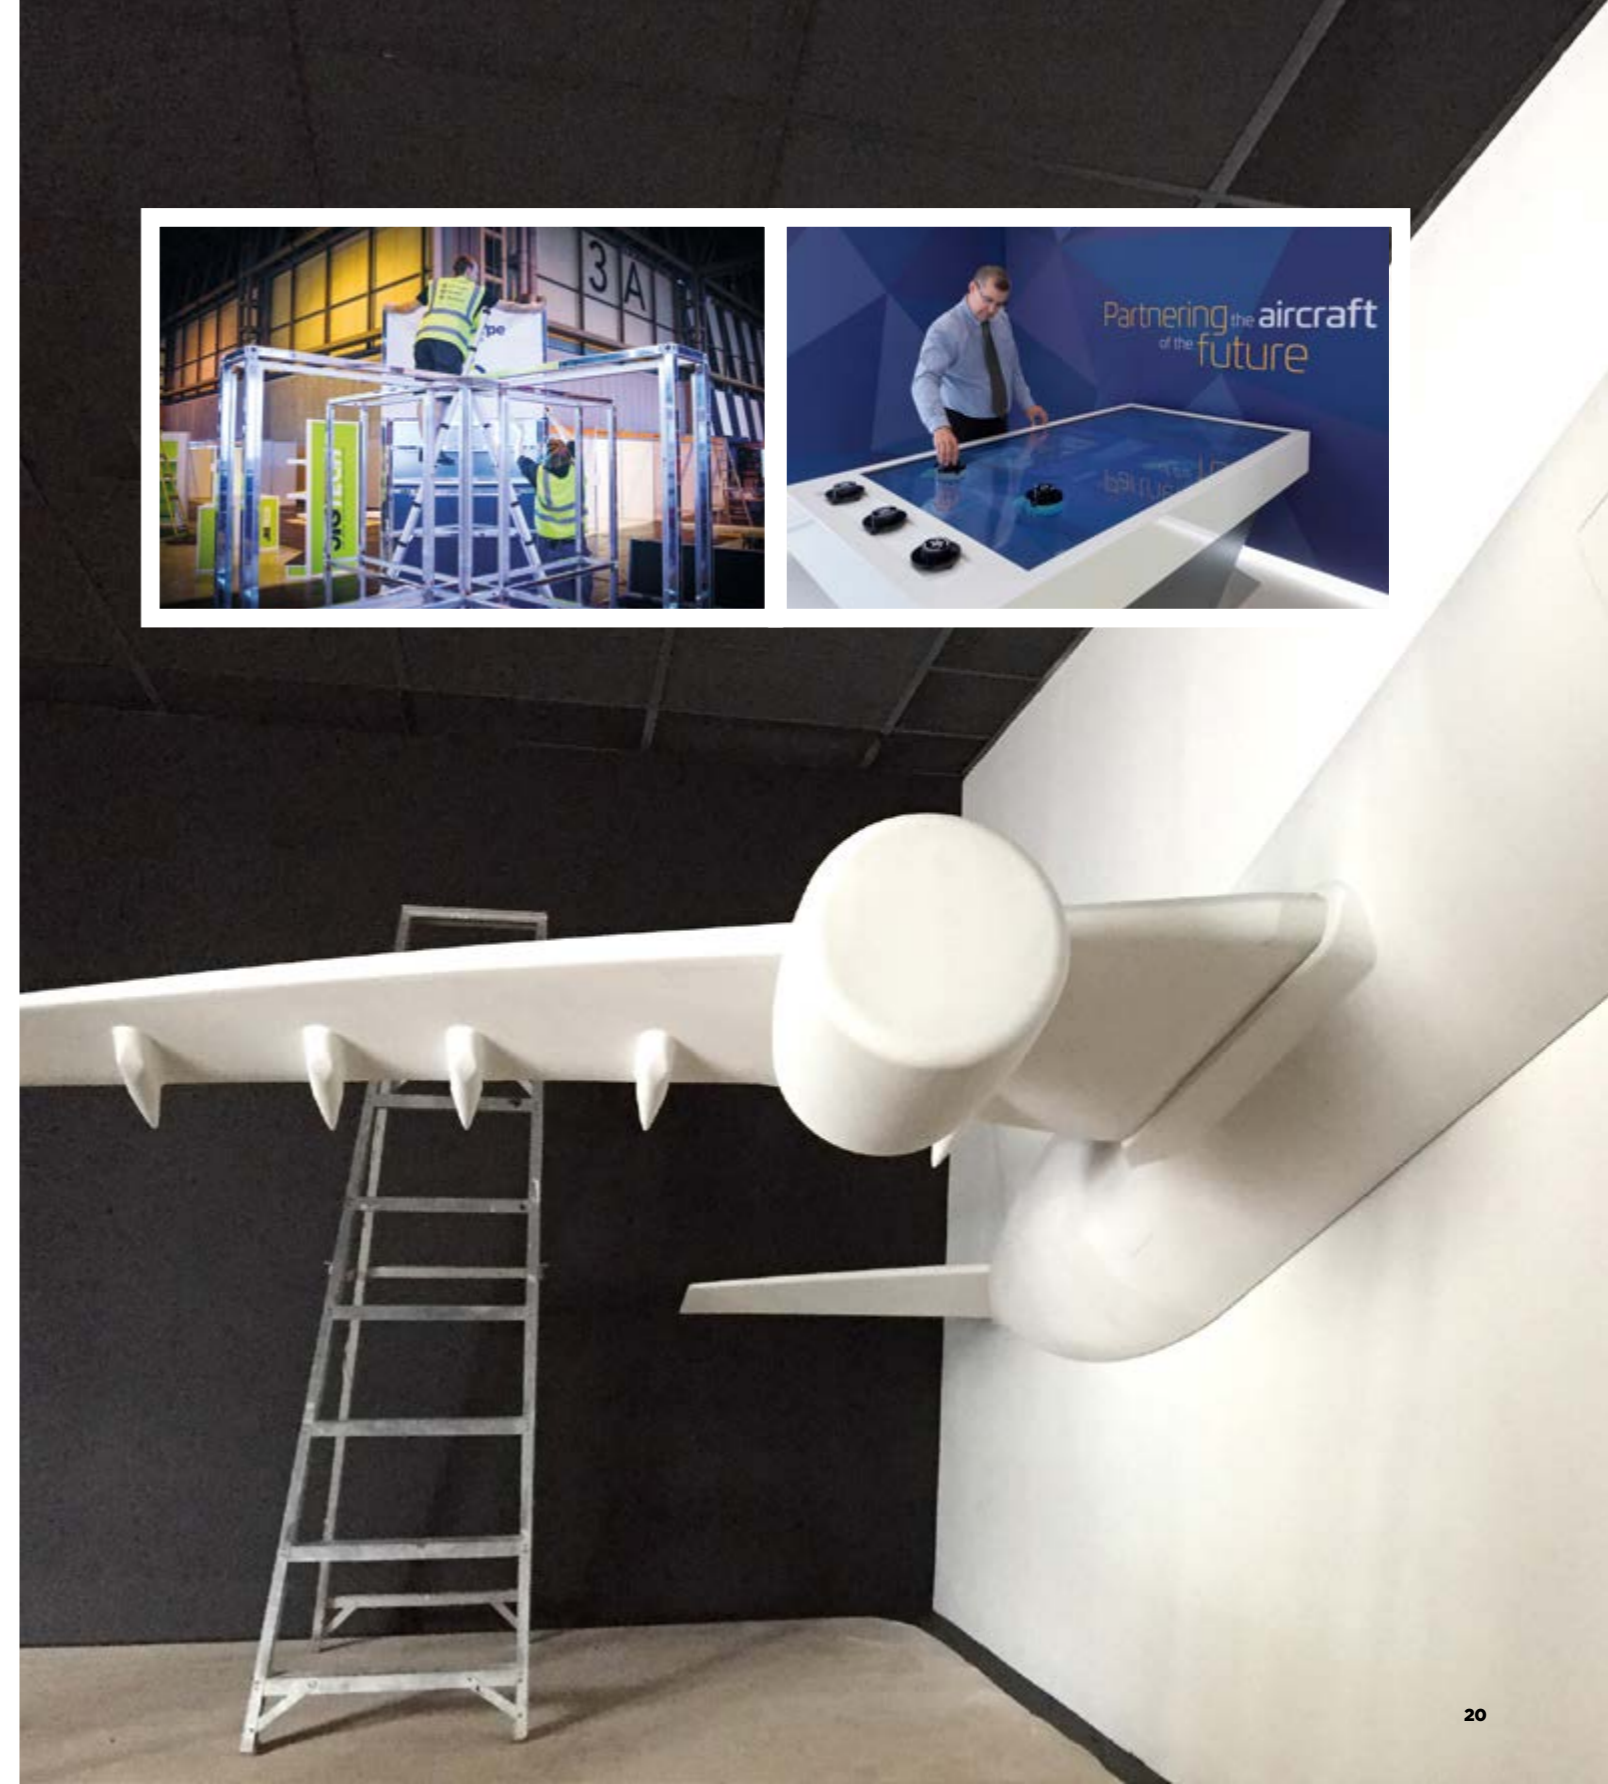

Matching short budgets and shorter timescales to grand visions, managing multiple suppliers and stakeholders, being an expert, a listening ear and a faultless adviser.

We provide the full range of exhibition and event support services and can oversee the whole process for you. From concept to construction and take-down, we can handle it all.

### Benefits include:

- **Dedicated project manager to oversee your stand from concept to completion**
- **The resources of a major creative agency specialising in advanced digital storytelling**
- **Work directly with our talented multimedia team**
- **Demo stand build and preview at our Farnborough workshop**
- **Experienced and professional stand build teams based locally**
- **OFFICIAL SUPPLIER STATUS: We can provide fast and effective support before, during and after the event**
